Category Name	Class Name	Course #	Class Description	Instructors	Start date	End date	Class Days	Start Time	End Time	Locations	Tuition
Science, Math & Technology	Woodworking Camp	306- SuYA	Entering grades 2-5. Students will be working on easy projects from start to finish. The projects selected will involve measuring, cutting, gluing and assembly using various wood shop tools. All materials for the project will be provided.	Paul Schwartz	7/25/2011	7/29/2011	M, T, W, Th, F	9:00 AM	12:00 PM	Central Senior High School	\$110.00
YOUниверisty & T(w)een Programs	Writing a College Essay	309- SuYA	Grades 10-12. Learn what goes into writing a top rated college essay. We'll prepare by working on various exercises to help improve your brainstorming, writing and composition skills; skills also important when writing any high school or college paper, or taking a written test. We'll conclude by working on college application essays.	Holly Vanderhaar	7/25/2011	7/29/2011	M, T, W, Th, F	9:00 AM	12:00 PM	Central Senior High School	\$80.00
YOUниверisty & T(w)een Programs	Triathlon Training	1957- SuYA	Grades 6-12. Triathlon Training! Find out why triathlon is the fastest growing sport in America and why they are a great way to build strength and confidence. We will create training plans, work on conditioning, practice transitions, learn about equipment and train on swim, bike and run. The last day, we will do a mini-indoor sprint triathlon. All abilities are welcome, but you must be able to swim one full lap without stopping.	Ben Lee	7/25/2011	7/29/2011	M, T, W, Th, F	9:00 AM	12:00 PM	Central Senior High School	\$95.00
YOUниверisty & T(w)een Programs	Hip Hop Dance and Culture	310- SuYA	Grades 6-12. Learn about hip hop dance and culture from a local b-girl. Work in small and large groups to create a performance.	Patag Xiong	7/25/2011	7/29/2011	M, T, W, Th, F	9:00 AM	12:00 PM	Central Senior High School	\$65.00

Science, Math & Technology	Rock N Roll Robots	1940- SuYA	Grades K-4. All New Models! Designed by the experts at MIT, this unique system teaches students about simple machines, engineering, programming and so much more. Working in pairs, students will create robots that rock and robots that roll! Using the LEGO WeDo Robotics System your robots will include a monkey who plays a drum to a rock & roll beat, a lion that roars, a bird that flaps it's wings to create a big wind, a sleeping giant who will awaken on your command and a boat that will rock on the rough seas. This course builds knowledge of simple machines, engineering, programming, and teamwork in an environment full of Rockin'Fun! Your students will build LEGO models featuring working motors, tilt sensors, motion detectors, and Lego USB Robotics Hub. Studio & Performing Arts	Puppet Making	1958- SuYA	Grades 1-6. Finger puppets, pop-up puppets, jumping jack puppets, rod puppets, and paper mache hand puppets; come join the fun of making characters come alive through puppets!	Debra Lindholm	6/27/2011	7/1/2011	M, T, W, Th, F	9:00 AM	12:00 PM	St Anthony Park Elementary	\$105.00
Studio & Performing Arts	Preschool Theatre: Suessical	1949- SuYA	Ages 3-5. Speak for the trees like the Lorax and try to hear a who! Explore the worlds of Dr. Seuss through art, theatre and music.	Theatre Community Education	6/27/2011	7/1/2011	M, T, W, Th, F	10:00 AM	11:00 AM	St Anthony Park Elementary	\$30.00
Science, Math & Technology	Robotics - RC Spybots	1403- SuYA	Grades 3-8. Build, program an work with some very unique robots. Learn more about science, engineering and technology, while having fun through the use of hands-on projects provided by Lego Educational Division and Computer Explorers. In this Robotics class, innovative Lego Mindstorm Spybotics will be used to program robots. Students working in pairs learn how to use the computer to program the robots, and work with advanced heat and light sensors along with RC controls. The students will race against time to complete their daring missions! Daily challenges may include simulated laser mazes, robotic tag, obstacle avoidance and mine-field navigation, disarming a hacker-bot, and dueling with fellow classmate's spybots and much more!	Explorers Computer	6/27/2011	7/1/2011	M, T, W, Th, F	10:45 AM	12:15 PM	St Anthony Park Elementary	\$78.00
